STATE BOARD OF DENTISTRY

In the Matter of)	Administrative Action
)	
DOMINICK J. MARVILLI, D.D.S.)	FINAL ORDER OF
)	DENIAL OF LICENSURE
_____)	

This matter was opened to the New Jersey Board of Dentistry ("Board") upon application by Dominick J. Marvilli, D.D.S. ("respondent") for licensure in the State of New Jersey. Based on its review of all materials, the Board makes the following findings of fact and conclusions of law.

Findings of Fact

1. Respondent received a dental license from the State of New York in 1984, and engaged in the practice of dentistry in New York from 1984 until 1997, and from January 1999 at least until March 1999.

2. Respondent applied for a New Jersey license in an application dated March 16, 1999, and answered affirmatively to the

question of whether his license has been subject to action in another state. In his explanation, respondent stated that his license was suspended in New York for one year beginning December 24, 1997. He asserted that the primary cause of the suspension was his failure to cooperate with an investigation, but denied that he had failed to cooperate.

3. Based upon documents and information from the State of New York, including a Statement of Charges and the Terms of Probation, respondent's license was suspended for one year for fraud and unprofessional conduct. Following the suspension, respondent was placed on two years of probation, under terms which require, among other things, the performance of 100 hours of community service. In addition, respondent was required to pay a fine of \$2,500.

4. A Provisional Order of Denial of Licensure was filed with the Board on June 16, 1999. By its terms, the Order became final on the 30th business day following its entry, unless, respondent submitted information and a request for modification or dismissal within that time.

5. Respondent failed to submit any materials in response to the provisional order, and therefore the Board finds that no further proceedings are necessary, and finalization of the order is appropriate.

Conclusions of Law

The suspension of respondent's license by the State of New York based upon fraud and unprofessional conduct provides adequate grounds for denial of respondent's application for licensure in the State of New Jersey, pursuant to N.J.S.A. 45:1-21(g).

THEREFORE, IT IS ON THIS ^{1st} DAY OF *Sept*, 1999
ORDERED:

Respondent's application for licensure in the State of New Jersey is hereby denied.
